

## Santorini

### What's it all about?

Nestled above the red cliffs of Kingfisher Bay in Vilanculos, Santorinis' unfurling view of the archipelago islands and curling mainland in the distance is unsurpassable. Santorini Mozambique is like a small Greek village in the heart of a raw African landscape – a magical combination. Here luxury goes hand in hand with a genuine humility and modesty that produce true richness and sophistication adding a welcoming warmth to its ambiance. The Main Villa has 5 individual, spacious suites, each unique in design and feel, and private patio. There are two exclusive use Villas more suited to private groups / families. Included are non-motorised activities such as kayaks, SUPs, etc. Many other activities are outsourced and include SCUBA diving, deep sea fishing, island cruises, etc.
