

Nkwichi Lodge, Lake Niassa

What's it all about?

Located on the Mozambican side of Lake Malawi / Niassa (depending on which side you are standing), this Robison-Crusoe type lodge has a wonderful charm and amazing community-based projects where there is really no other income generating options for people in this remote part of Mozambique. Nature lovers and adventure seekers will love the simplicity and rustic-charm of this pristine, wonderfully relaxing destination. This combines perfectly with a stay on Likoma island to break the journey back. The beach is powdery white, and the water crystal clear on this side of the lake!
